Hole-In-One Insurance

At the end of the 2020 golf season the Hole-In-One Insurance pot will be divided up amongst all members who purchased the insurance and were fortunate enough to score a hole-in-one during the 2020 golf season.

The payout will be in the form of a shop credit that may be utilized to pay off the bar tab that your hole-in-one generated. After the bar tab has been settled, the balance of your "Insurance Dividend" may only be used for merchandise purchases in the pro shop. In the event that the "Insurance Dividend" is not large enough to settle your bar tab, you will be expected to pay the balance due out of your pocket. In the event that no hole-in-one's are recorded, we will hold a drawing for up to 10 lucky people.

Eligible Hole-In-Ones must be recorded under the following conditions:

Must be scored at the New Richmond Golf Club's "Old Course" or "Links Course"

Must have at least one NRGC Member as a witness unless it is scored during league play, club event, or a local NR Fundraiser.

Must occur during a "Stipulated Round", whereas, a 9 or 18 hole round or a shotgun start will be honored.
