

2020 Ryder Cup

Date: Saturday, September 26th
Tee Times: Any time before noon
Entry Fee: \$25.00 for Members, \$50 for Non-Members
Format: 2 Player Teams
1 thru 9 – Alternate Shot
10 thru 18 – Net Best Ball

The Ryder Cup was supposed to be played this weekend so we thought it would be fun to play the formats they play. The Front 9 is Alternate shot. In this format you will pick who tees off on the odd holes and who tees off on the even holes. It doesn't matter who holes out the last putt. One player will have the odds, the other has the evens.

Then the Back 9 is just Best Ball. Each player plays their own ball and you take the best net score.

Handicaps Required. 50% of combined handicap used on the Front 9. Shots taken as they fall on the Back 9.
