

New Richmond Businesses,

I'm pleased to present you, your business, and your employees with some options to be a part of the New Richmond Golf Club in 2021. Due to the pandemic, golf was one of the few things people could do safely. Golf around the country saw a resurgence in golfers. Some who are new to the game. Some who returned to the game and remembered how much they loved it. Golf is still a great way to enjoy the outdoors with your family and friends....and co-workers!

For your business, we offer Corporate Passes with 4 different packages for golf and cart ranging from 12 – 48 passes. The more you buy, the more you save! In addition, you receive a free range token with your round, and a 10% discount on food and Pro Shop merchandise. Something new we added is the option to put money on account. This way you can treat customers or employees with food, drinks, or Pro Shop items. Even if you aren't here. For every \$500 you put on account you get an additional 10% added to your account. There are a number of ways you can use these rounds to enhance your business:

- Client Entertainment
- Customer Promotions
- Employee Recognition
- Donation Requests

By purchasing Corporate Passes at the New Richmond Golf Club you'll have the opportunity to save money on room rental for your 2021 Holiday Party, Graduation Party, Business Meeting, or Wedding.

If you and your employees want to be even more involved at New Richmond Golf Club you can purchase a Single or Couple Membership. We have Resident Rates to help you save money if you:

- Own a business in the School District of New Richmond
- Employed at a business in the School District of New Richmond
- Primary or Secondary Residence is in the School District of New Richmond

Please email me at [todd@nrgolfclub.com](mailto:todd@nrgolfclub.com) or call at 715-246-6724 if you have any further questions.

Thank you,
