

2022 Joe Swanda Memorial Golf Outing Saturday, May 21st, 2022

In 2002 New Richmond Golf Club Pro, Instructor and Friend Joe Swanda, passed away of a sudden heart attack. Every year since, we have remembered and honored Joe by holding the Joe Swanda Memorial Golf Tournament. Joe's passion for passing on the game of golf to the younger generation was second to none. He is responsible for starting the Junior Golf Program we have today. Through the continued support of friends and golfers participating in this tournament, combined with the support of the New Richmond Golf Club, a new dream has been realized. That dream is one of the best practice facilities in all of western Wisconsin. The facility, dedicated to Joe and opened on August 7, 2007 was aptly named the "Joe Swanda Learning Center." The Learning Center continues Joe's passion in teaching the wonderful game of golf to future generations. It is with sincere thanks to you, the supporters of the Joe Swanda Memorial Tournament, for helping make this dream a reality. – *The Family of Joe Swanda*

2022 Sponsorship Opportunities

The Joe Swanda Golf Outing directly supports the NR Junior Golf Program, NRHS Scholarships for New Richmond High School graduates and continued financial support for the Joe Swanda Learning Center to insure it remains a top notch facility. Funds raised in this event with insure that happens and allows us to put on a great event that properly remembers Joe and what was important to him.
