The **top 10 – 14 (depending on number of entries) teams from each half of the season** will play in the 9-Hole League Championship on Friday, August 25th. The top 10 – 14 teams in the second half that have not already qualified for the championship will be deemed the qualifiers from the second half

Entry Fee

\$100 per team includes handicap fee and prizes for the season. You may deduct \$30 per player that has already paid their handicap fee through the New Richmond Golf Club. **Please turn your application in before May 1st.**

Eligibility

- ❑ Each player will use their WSGA handicap, if you have not yet established a WSGA handicap you will have to play with a temporary handicap assigned by the pro shop until you establish an official handicap. Please be certain to enter all of your non-league scores in the handicap computer. League scores will be posted to the handicap computer automatically. The sooner you establish an official handicap the better off you will be.
- ❑ Teams will consist of 1 Male Golfer and 1 Female Golfer. This can be partners or mother/son or father/daughter, grandfather/granddaughter etc.

Rain Outs

A rain out policy is in effect for those times scheduled after 12 noon on League Fridays. If your scheduled tee time, noon or later, is rained out you will have through the following Friday to play your round. League will be cancelled if more than 50% of the teams which had tee times scheduled after noon are unable to play due to rain.

Scoring

Ties will not be broken during the regular season, but they will be broken by a scorecard playoff in the championship. If two teams tie for the top spot in a given week during the regular season, we will award first place points to both teams. If two teams qualify in a tie for the final spot of either half season they will both qualify for the championship. If you are absent, you will be awarded zero points for that week. The total points that your team earns per half season will be comprised of your 3 best point totals from the 4 weeks of play per half season. This means that – yes, you can throw out 1 score per half season.

Championship Qualifying

The season will be broken up into two halves. The first half will be from May 12 – June 23 and the second half will run from July 7 – August 18 . The championship will be held on Friday, August 25 and will be **contested over 9 holes**.

There will be a prize payout for the top 4 teams in each half season. If you have already secured a spot in the championship you may still win prizes in the second half of the season, but you will not be eligible for another qualifying spot. The top 10 – 14 teams with the most points in the first half of the season will qualify for the championship. The top 10 – 14 teams in the second half that have not already qualified for the championship will be deemed the qualifiers from the second half.

Substitutes

If your partner can't make it on a given night, you can still play by yourself or bring a substitute of the same gender as your partner, but your substitute cannot be an active participant of another Co-Ed League team. All substitute players must have a current WSGA handicap. No substitute teams will be allowed. You must have one representative from your original team.

Pay Out

All payouts will be in the form of Pro Shop Credits from the New Richmond Golf Club. These winnings may only be used toward the purchase of merchandise from the Pro Shop. They cannot be used toward greens fees, range fees, cart fees, or bar purchases.
