

2 Person SCRUMBLE

You will split your group up into 2 teams of 2.

On each hole both players will hit a tee ball. Each team will then decide which ball that they want to play. After the team has decided which ball to play, both players will play their **OWN** ball from that point forward. Your team score will be the **1 BEST NET** score on each hole.

50% of your handicap will be used for this event.
