## TIGER LEVEL 10 GOLF ACADEMY

The TIGER LEVEL 10 GOLF ACADEMY welcomes advanced junior golfers of all ages who are enthusiastic about expanding their golf skills and taking their game to the next level. This summer-long program combines weekly group instruction, weekly playing, individual instruction, and individual practice plans designed to take you toward LEVEL 10 performance. The Tiger Level 10 Golf Academy will be taught by the PGA Professional of New Richmond Golf Club.

Every aspect of the golf swing from setup to proper swing motion can be monitored and improved. Short game excellence requires great technique and practice plans designed to challenge your ability. Our goal is to help you develop all of the mental and physical aspects of your game.

## CHANGES TO LEVEL 10 ACADEMY FOR 2025

Due to the demand in 2024, the Level 10 Academy will be split into 2 sessions for Lesson Days. The first session will begin at 8:00am and the second session will begin at 10:00am. There will be a maximum of 15 students in each session to be more able to give individual instruction, as is the purpose of the Academy. Due to the cap on each session, please be flexible to which time your golfer can participate. If you sign up closer to the deadline, your preferred session may be full. Play days will all start at 8:00am for both sessions so we can maximize the use of the golf course and get as many juniors playing golf together as possible.
