

## 2 Person SCRUMBLE

You will split your group up into 2 teams of 2. On each hole both players will hit a tee ball. Each team will then decide which ball that they want to play. After the team has decided which ball to play, both players will play their **OWN** ball from that point forward.

Your team score will be the **1 BEST NET** score on each hole.

**85% of your handicap will be used for this event.**
